25X1 7. [] Received a call from Mrs. Giolito, on the staff of Representative Richard White asking for any information which we had on the Institute of American Democracy, which has its offices in Washington. I suggested at the outset that this was a type of inquiry which should be directed to the FBI. Mrs. Giolito said they were contacting the Bureau but would also like any information which the Agency might have. A check was made with the Office of Security on the organization and its Chairman, Franklin H. Littell. I subsequently called Mrs. Giolito back and advised that as previously indicated, the FBI was the source for information on any U. S. organization, but that she might also want to check with the House Committee on Un-American Activities. Mrs. Giolito seemed to appreciate this and did not press the matter further.

25X1 8. [] - GLC) Talked with Mr. Benny Kass, on the staff of the Senate Judiciary Subcommittee on Administrative Practices and Procedures, concerning the status of administration Ombudsman legislation pending before that Subcommittee(S. 1195 and S. 3123). Mr. Kass indicated that he did not expect action on either of these bills in this Congress, especially S. 1195. He added, however, that if a review of S. 3123 created any concern on our part we should contact the Subcommittee and provide them with suggested language which could be utilized in any subsequent Subcommittee report to alleviate our concern.
